## **Animal Husbandry, Dairying and Fisheries**

## DAIRY PROJECT BASED ON SWISS MODEL

### ABOUT PROJECT

Annual milk production of J&K is 2541 thousand tonnes, out of which less than 2% of milk is from organised sector. J&K intends to import Mount Billards and Brown Swiss breed of cattle that produce milk with high protein content with a lower fodder footprint. These breeds are also suitable for cheese production.

Dairy farms having a capacity of 250 animals will be established along with the processing facility for milk, cheese, ice cream, chocolates etc will be encouraged to provide a flip to the economy of milk producers.

### PROJECT HIGHLIGHTS

**Sector:** Dairy  
**District:** Jammu, Kulgam, Bandipur

**Project Cost:** 80 crores for each project

**Project Promoter:** Animal, Sheep Husbandary and Fisheries Department

**Project Funded by:** PPP

### SALIENT FEATURES

**Project Partner(s):** Land identified in Kulgam (579 kanal) and Bandipur (400 kanal). Land in Jammu yet to be identified

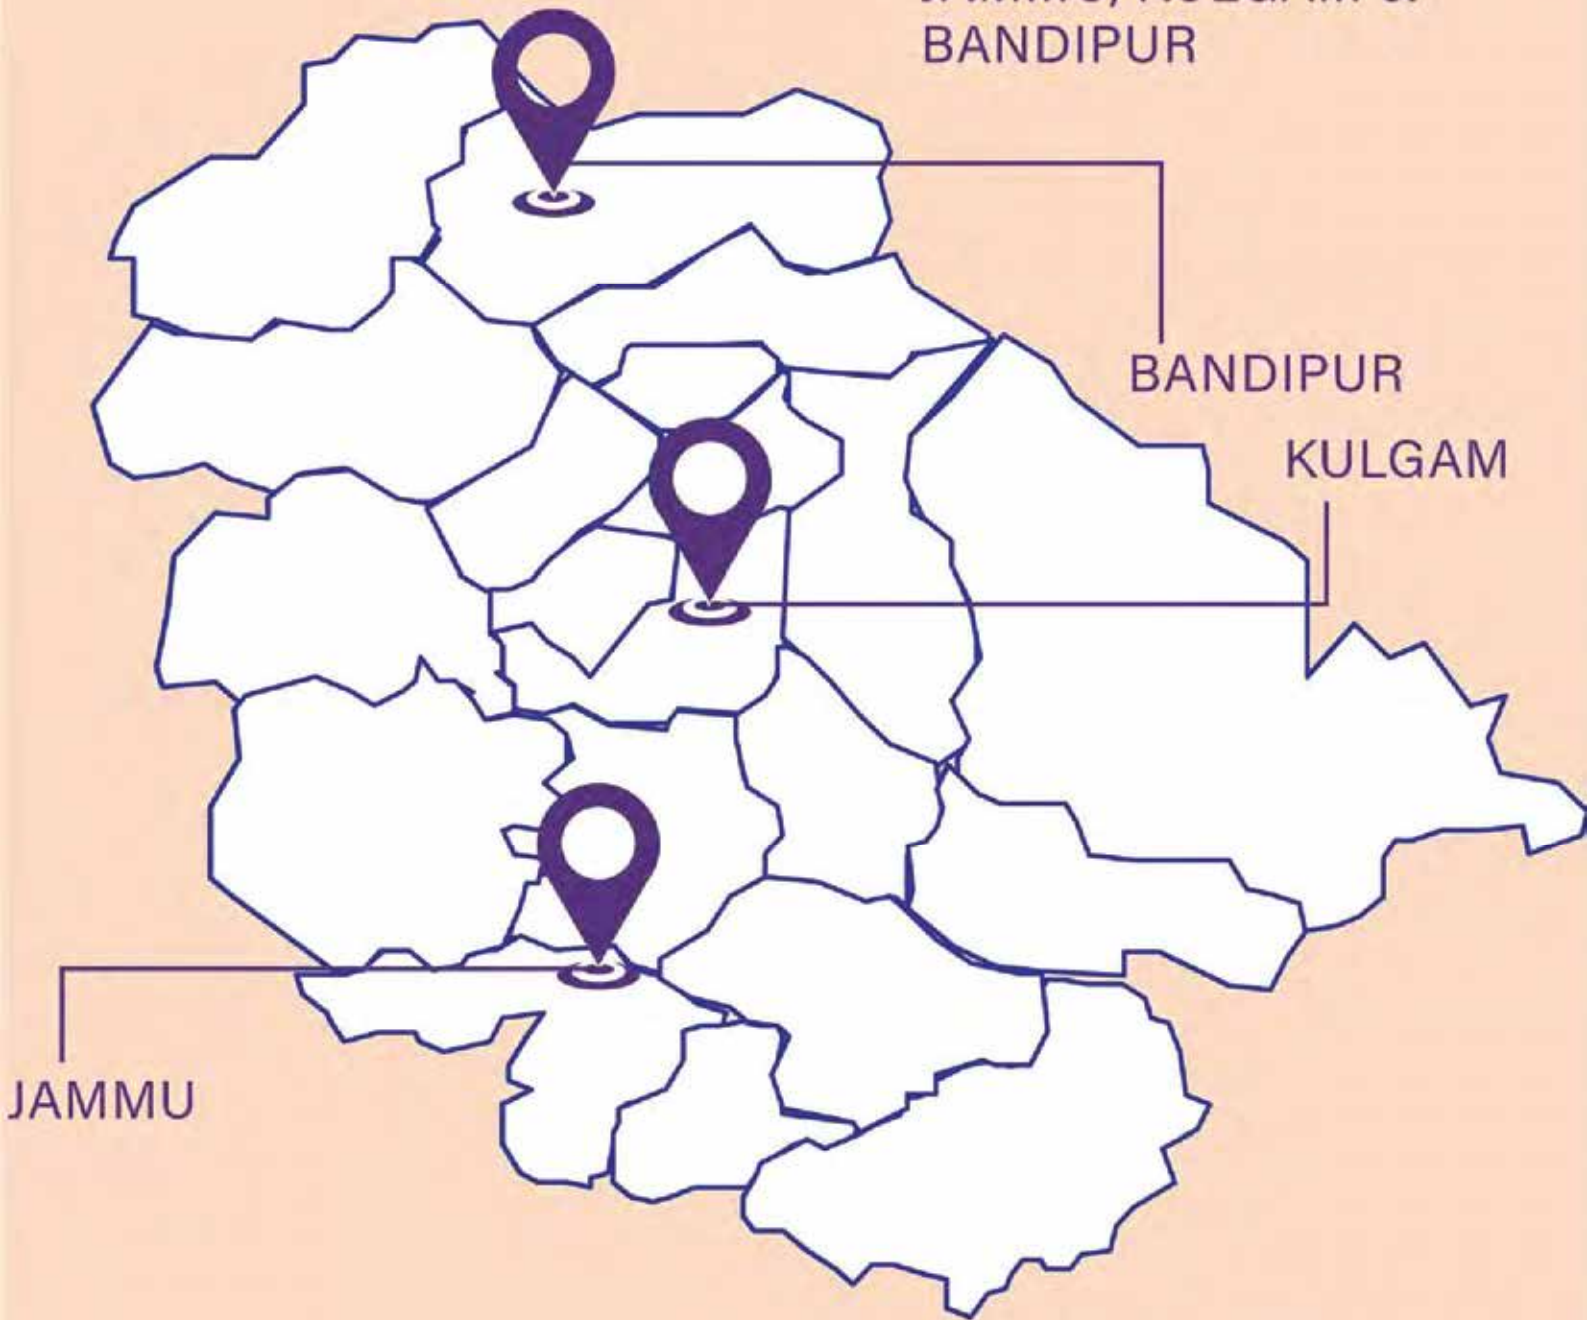

**Location:** Kulgam, Brazlu, Hajin, Bandipur and Jammu
